

Specific local safeguarding arrangements

Here we record any specifics for each Local Meeting, and any variations from the requirements set out in the Procedures and Resources. They can be very brief, as most aspects should already be covered in the main policy and procedures, or in the Practice Guidelines (SR4a) or in the Thirtyone:eight guidance.

Children

Bath, Bradford on Avon, and Frome Local Meetings hold regular children's meetings or All Age Worship.

In our Local Meetings where children have not visited for some time (Chippenham, Devizes & Trowbridge), safe arrangements would be made for occasional or unexpected attendance by children. They would either stay in the main meeting or go through to another room with their parent/carer accompanied by a Friend from the Meeting.

Young People

Our BYM Youth Development Worker arranges separate activities for teenagers.

Adults

We do not currently provide any activities for adults which are regulated.
