Thirtyone:eight

Thirtyone:eight is the safeguarding organisation used by Britain Yearly Meeting and others for advice and training on safeguarding children and adults at risk of abuse. West Wiltshire & East Somerset Area Meeting is a member of Thirtyone:eight so has access to discounted training and to the members-only resources on its website <https://thirtyoneeight.org>

To benefit from the training courses and resources, Friends should first join the organisation by going to its website, creating a user profile, and linking it to our Area Meeting:

1. Go to <https://thirtyoneeight.org/log-in> and click on “Create a user login here”.
2. Create your user profile inventing your own password. The organisation name is West Wiltshire & East Somerset Area Meeting. Click “Submit” and wait for an email to activate your profile.
3. Contact the AM Safeguarding Coordinator to arrange for your user profile to be linked to our Area Meeting’s membership. You should receive a further email from Thirtyone:eight finalising this step.

Once your profile has been linked, you will be able to look at resources in the Knowledge Hub and to book training courses.

Choosing and booking a training course

See <https://thirtyoneeight.org/training-and-events>

The basic safeguarding training course is currently called “Gateway to Safeguarding” and delivered as an e-learning.

The role-specific training courses are listed under Training and events and delivered as webinars.

As a member, you will pay a discounted rate when booking a course. You may reclaim the fee from your Local Meeting Treasurer.

After completing a training course

1. You will receive a certificate from Thirtyone:eight.
2. Send a copy of the certificate to the AM Safeguarding Coordinator.
3. Inform your Local Meeting Clerk so that your training can be recorded in a minute.

See SR1d Key Safeguarding Contacts for the AM Safeguarding Coordinator
